EMMANUEL
ANSONG

emmanuelkansong@gmail.com

PROFESSIONAL PROFILE

Achieving good grades at both University and A-Levels, I am an inspiring Games Programmer looking to develop my knowledge in the world of computing and the gaming industry. With a passion for programming, and a creative portfolio in both 2D and 3D game design and development, I am a skilled Unity specialist, with an ability to use exceptional analysis and problem-solving abilities independently, along with effective testing, improvement strategies.
